

Senior Solicitor/Associate Position

The Company

With offices in Wellington, Paraparaumu, Otaki, Levin, and Foxton, **Wakefields Lawyers** is a progressive law firm specialising in property, commercial, trusts and succession planning, employment, immigration and family law.

The role

To help service existing demand, we are seeking an enthusiastic and motivated Senior Solicitor/Associate to work with our Kapiti team.

To be suitable for this position, you should have:

- Ideally 5+ years' experience (though we would also be interested in hearing from those who have less experience).
- The ability to juggle multiple tasks and deliver to timeframes.
- An open, collaborative and flexible mindset.

An existing client base is not necessary, but you should be comfortable performing business development activities by creating new opportunities and cementing and enhancing relationships with existing clients.

Why you should consider this role:

- Partnership is a real possibility here, not a vague promise.
- You will be paid a very competitive salary along with an attractive package that is comparable to many firms in larger cities.
- A healthy work/life balance is encouraged across our offices, and we are passionate about fostering a positive, collaborative and nurturing working environment.

Why you should consider Kapiti if you are not local already:

- The wider Kapiti District continues to experience significant growth as access to the region becomes quicker and easier due to better transport infrastructure.
- House prices in the Kapiti District are cheaper and the commute to work is shorter than in the larger centres.
- The hustle and bustle of Wellington city is merely a brief train ride away.
- The Kapiti Coast Airport allows you to fly direct to Blenheim, Christchurch and Nelson.
- The Kapiti District plays host to colleges and primary schools with great reputations.
- Scenic ocean views, fabulous food and delectable wine are just a hop, skip, and a jump from the doorstep.
- To put it simply, Kapiti has it all...well, not quite. All it needs now is you!

We are interested in an individual who wants to cultivate ironclad relationships, develop personally and professionally and embody a culture of innovation and collaboration. If this sounds like the role and lifestyle for you, contact Jessica Sanders our Operations Manager at jessica@wakefieldslaw.com.
